

*To Hugh,*

*A mentor who didn't know how much he changed lives. There was more than one junior who walked through the doors of the village hall to scent of wood panelling and sounds of burly laughter who'd be living a very different life if it wasn't for Hugh*

*That could go for anyone in the Kyle Karate Club, but Hugh choosing to start this club is what brought us all together.*

*My only regret is that I haven't been able to visit more often since the start of the pandemic. My lifelong interest in karate and martial arts is testament to both Hugh and Dave's contribution to the world. I just hope I can inspire some people to continue the karate journey too one day.*
